ROBIX ANNOUNCES GRANT OF STOCK OPTIONS

November 6, 2015 – Lethbridge, AB: Robix Alternative Fuels, Inc. (“Robix” or the “Corporation”) (RZX:CSE) announced today that the Corporation, subject to regulatory approval, has granted incentive stock options to purchase a total of 351,000 common shares, at an exercise price of \$0.19 per common share, to directors and a consultant of Robix. They expire on November 6, 2018, in accordance with the Corporation’s stock option plan. Robix has determined that exemptions from the various requirements of Multilateral Instrument 61-101 are available for the issuance of the options to the directors of the Corporation (Formal Valuation - Issuer Not Listed on Specified Markets; Minority Approval - Fair Market Value Not More Than 25% of Market Capitalization).

About Robix:

The Corporation is an “industrial products/technology” company, offering to investors a unique opportunity to participate in a leading company in the business of ownership of patents, and their development from commercialization to worldwide expansion through various business arrangements. Robix owns a Clean Ocean Vessel (“COV”) patent, which is an oil spill recovery vessel design with the capability to recover oil in rough and debris laden sea conditions. Robix has recognized a worldwide market opportunity for effective containment, recovery and disposal equipment, particularly in the oil spill protection industry, and it proposes to develop a business model as a service provider, and/or equipment provider under licensing agreements with other industry participants, wherein Robix will use its COV patented design solution.
