ROBIX ANNOUNCES SHARES FOR DEBT PRIVATE PLACEMENT

July 23, 2014 – Lethbridge, AB: Robix Alternative Fuels Inc. (“Robix” or the “Corporation”) (RZX:CNSX) announced today that it settled outstanding indebtedness of \$510,000 through the issuance of 680,000 common shares of the Corporation at a deemed price of \$0.75 per common share (the “Debt Settlement”). The common shares issued in connection with the Debt Settlement are subject to a four month hold period that expires on November 24, 2014.

About Robix:

The Corporation is an “industrial products/technology” company, offering to investors a unique opportunity to participate in a leading company in the business of ownership of patents, and their development from commercialization to worldwide expansion through various business arrangements. Robix owns a Clean Ocean Vessel (“COV”) patent, which is an oil spill recovery vessel design with the capability to recover oil in rough and debris laden sea conditions. Robix has recognized a worldwide market opportunity for effective containment, recovery and disposal equipment, particularly in the oil spill protection industry, and it proposes to develop a business model as a service provider, and/or equipment provider under licensing agreements with other industry participants, wherein Robix will use its COV patented design solution.
