Robix Announces Shares for Debt Private Placement

October 5, 2016 – Lethbridge, AB: Robix Environmental Technologies, Inc. (“Robix” or the “Corporation”) (RZX:CSE) (Frankfurt:ROX) announced today that it settled outstanding indebtedness of \$696,790 through the issuance of 2,787,158 common shares of the Corporation at a deemed price of \$0.25 per common share (the “Debt Settlement”). The common shares issued in connection with the Debt Settlement are subject to a four month hold period that expires on February 6, 2017.

Karla Jorstad, the Chief Operating Officer and a director of Robix, subscribed for 240,000 common shares and a company controlled by Wayne MacDonald, the Chief Development Officer of Robix, subscribed for 430,000 common shares. Robix has determined that exemptions from the various requirements of Multilateral Instrument 61-101 are available for the issuance of the units (Formal Valuation - Issuer Not Listed on Specified Markets; Minority Approval - Fair Market Value Not More Than 25% of Market Capitalization).

About Robix:

The Corporation is an “industrial products/technology” company, offering to investors a unique opportunity to participate in a leading company in the business of ownership of patents, and their development from commercialization to worldwide expansion through various business arrangements. Robix owns a Clean Ocean Vessel (“COV”) patent, which is an oil spill recovery vessel design with the capability to recover oil in rough and debris laden sea conditions. Robix has recognized a worldwide market opportunity for effective containment, recovery and disposal equipment, particularly in the oil spill protection industry, and it proposes to develop a business model as a service provider, and/or equipment provider under licensing agreements with other industry participants, wherein Robix will use its COV patented design solution.
